Early Education with a Teacher's Mind and a Mother's Heart

Welcome to the 2025-2026 School Year

As we look towards the 2025-2026 School Year, our hearts are so full because July 31st, 2025 marks our tenth year of being a licensed program. Looking back, so much has happened during this past decade and it has been filled with meaningful memories and growth for me and my family. We are so thankful for all the friendships that have blessed our lives during this time. To celebrate this momentous occasion, we took time during summer recess to create more space for positive relationship-building, joyful fun, and authentic learning. We are also looking forward to celebrating our tenth anniversary with a special beach day on Saturday, July 26th. This school year, we sincerely wish all our ABC Mom families health, joy, and meaningful connection. Thank you for being part of our journey and joining us in nurturing our early learners through playful adventures!

July Overview

Learning Themes: Music

Soaring Into the 2025-2026
School Year |

Music has always been an inspirational and energizing part of my life. As we begin the new year, I wanted to start our week together immersed in the magic of music through “Music Mondays.” There are so many opportunities to explore and strengthen multiple learning domains through this medium. Whether it be helping to build social-emotional vocabulary as we seek to find labels to the emotions that well-up within us as we soak in music, to the mathematical concepts and connections that can be made as we listen to the patterns and rhythms of beautiful melodies.

To end the week in July, we will be creating a celebratory space for our “Friday Focus on Joy.” As we seek to build sustainable practices of focused learning and growth throughout this school year, what better foundation can we build upon than being intentional about activating joyful practices which can inspire us to keep soaring to new and loftier heights?

Lastly, I am thrilled to kick-off the new school year with our special theme titled, “Soaring Into the 2025-2026 School Year.” On our daily nature walks, I love seeing the

excitement and joy on our students' faces as they watch something soar through the air. We see birds, butterflies, dragonflies, helicopters, and planes flit, flutter, and soar through the sky everyday and I thought this could be the perfect passion project to pursue. During July, we will learn about the creatures and machines that fly in the sky. I'm so excited to explore the everyday backyard creatures that students see and to also investigate the history and current science of flying machines.

Lastly, thank you again to all our ABC Mom Families and Friends. You have made a forever-impact on my life and the life of my family. Thank you for your support and friendship through the years. It would be impossible to do all that we do without your support, encouragement, and friendship. Thank you for the joy and honor of calling you our friends and our family!

TENTH ANNUAL ABC MOM LEARNING CENTER & CHILDCARE BEACH DAY

It's hard to believe, but ABC Mom Learning Center & Childcare will be celebrating ten years of serving our students and families in July! In honor of this special milestone, we are asking you to join us at our 10th Annual Beach Day at Crystal Cove in Newport Beach from 9AM to 12PM, on Saturday July 26th, 2025. We are asking all families- past, present, and future to come join us. Please RSVP [here](#) by Friday, July 18th, if you plan to attend. Please bring your beach gear and join us for a wonderful morning of connection and fun! We are looking forward to spending time with our ABC Mom Family & Friends! Happy Summer!
