Early Education with a Teacher's Mind and a Mother's Heart

Merry Christmas and Happy Holidays

Time is flying by and we are already in the midst of the holiday season. This month, we will be incorporating the magic of the season as we explore various STEM concepts through the lens of fairy tales. Please make sure to read our Monday newsletters for important information about December's events and activities. I'm especially excited to celebrate this season with our ABC Mom families during our Annual Christmas Potluck, please make sure to RSVP. Wishing everyone a very merry Christmas and beautiful holiday season!!

1

PARENTS NIGHT OUT

Friday, Dec. 20th, from 5:30PM to 8:30PM. For info and to RSVP, please see [here](#).

2

TUITION DUE

Tuition is due by Fri. 12/20/2024. Late payments will result in a \$25 fee.

3

SCHOOL CLOSURE DATES

School will be closed 12/24/24-01/01/25 for Winter Vacation.

Helping

We help each other with kindness

Sharing

We share space and materials with mutual consideration

Benefits of Reading

We expand our knowledge and skills while we read

December 2024 Overview

Learning Themes: Exploring STEM Through the Lens of Fairy Tales | What is Winter? |

I absolutely love the holiday season, there is just something so magical about it. Inspired by this feeling of magic, we are diving into the world of fairy tales and engaging our early learners in various STEM adventures in December. As we read the various versions of “The Three Little Pigs” earlier this month, we created different homes and also learned about how houses are built. As we read “The Three Billy Goats Gruff,” we will be taking a tour around the world to learn about different bridges and how these incredible bridges were built and the engineering process behind them. It’s going to be such an exciting and fun-filled month!

As the winter season approaches, the weather is definitely changing. The days are also shorter and it’s getting darker earlier. Friendly reminder to please make sure that your child is dressed in

weather-appropriate attire for our daily outdoor adventures as well. We will be exploring this beautiful time of year and the amazing changes that happen in the animal and plant world as we all prepare for the wonders of winter.

Lastly, as we welcome in the new year, we will also be preparing for the 2025-2026 School Year. Continuing enrollment forms will be going out in December. Please make sure to fill them out and return them by Friday, January 17th, 2025. Wishing everyone a joyous, healthy, and love-filled holiday season for you and all those you love. Merry Christmas and Happy Holidays!

THE IMPORTANCE OF FAMILY ENGAGEMENT

One of the requirements of enrollment is for our ABC Mom Families to engage in our weekly home learning activities. Why? This is because science shows that you are the MOST important people in your children’s lives. If you are using the vocabulary and talking about the concepts that we are exploring in school, then your children will be more motivated and engaged in our school learning. I was so amazed and moved by what you created together with your children last week. Those moments of creating and building will be precious lifelong memories!
