

# ABC Mom Learning Center & Childcare

Early Education with a Teacher's Mind and a Mother's Heart

## Happy Summer!

Can you believe that another pandemic school year is now behind us? We have had such a wonderful school year and I want to thank all our school families for your support and for the joy and honor of journeying alongside your family this school year. We have a few more weeks until we officially wrap up the 2021-2022 School Year and I am looking forward to celebrating what we had learned together this year as we meet for end-of-year conferences. I wish each and every family a beautiful summer!

1

### TUITION DUE

Tuition is due on Mon., 6/20/2021 by 5:15PM. Late payments will result in a \$25 fee.

2

### END-OF-YEAR CONFERENCES

Zoom conferences will take place the week of June 13th.

3

### SUMMER RECESS

School is closed the week of June 27th for Summer Recess. School resumes Tues., July 5th.

### Advocacy

Meeting with leaders to advocate for working families

### Artful Literacy

Encouraging creative and playful literacy explorations

### Handwashing

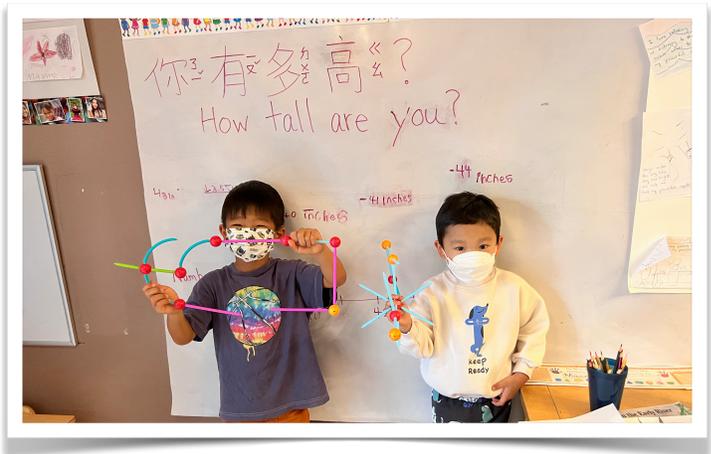

Proper handwashing keeps us all healthy

## June 2022 Overview

Learning Themes: Ladybugs | Celebrating our Dads | End of Year Celebrations | Shapes

During the month of June, I am so excited to welcome ladybugs to our classroom! This is one of my favorite units to explore during the year and it seems so fitting that as we observe our ladybug larvae transform into adult ladybugs, that we can also use this time to reflect how our students have changed and grown during this school year.

Part of this important reflection is our end-of-year testing and year end conferences. Through informal and formal assessments, I will be collecting data to share with our families during the week of June 13th. Please make sure to sign up for conferences using the link that was sent to families on Tuesday, May 31st. Due to the rising rates of COVID-19 transmission, conferences will be conducted over Zoom. Zoom links will be

emailed to families the day of the conference. I am looking forward to meeting together with our families and celebrating all the growth that has taken place this year. I am so proud of all of our young learners and all that they have accomplished this school year.

During the month of June, in addition to flying into the world of ladybugs, we will also be celebrating the Dragon Boat Festival, honoring our dads, and continuing our exploration of shapes. Wishing everyone a beautiful summer!

## TWENTY YEARS OF LOVE

It seems like yesterday that Mr. Mike and I celebrated our tenth wedding anniversary with our 10th Year Vow Renewal. This month, we are celebrating our 20th Wedding Anniversary! ABC Mom Learning Center & Childcare would not be what it is today and I would not be who I am today without the incredible love and support of my beloved husband. Marriage is an adventure like no other and it takes two to make it work, through all the challenges, heartache, and heartbreak. The last two years of this pandemic have been so difficult and I am so grateful for the love and support of Mr. Mike. I am thankful for his support to help keep ABC Mom Learning Center & Childcare open, despite the possible health risks that it brought to our own family. Thank you for your courage, your support, and your love. Looking forward to another 20 years and more of loving one another and loving and serving God and our community together!
